Discussion: Chair (Kim F.)

1. Members were asked to review the modified contact cards included in last month's Meeting Notes (emailed on 12/8/2019) for discussion/approval next month.
2. The *Outreach Committee Support* document was reviewed and commented on via a round table discussion. The comments have been included in the updated document. Members will continue to review the updated document and provide feedback prior to next month's meeting.
3. It was agreed that the *Outreach Committee Support* document be sent to the webmaster for posting on the FL Nar-Anon website in addition to being sent to the groups who express interest in receiving support for their outreach efforts. (The Chair prefers not to mass email the document in order to reduce the number of "sent" Nar-Anon emails and perhaps increase the number of "read" Nar-Anon emails.)
4. The Outreach Committee Chair will be added to the list of those contacted when a new meeting starts in the FL Region. The Chair will contact the Committee Members in closest proximity to the new meeting so that these Members can reach out to, and support, the new meeting as they are able.
5. In support of our "in-reach" efforts, Kim L. and Kim F. (called a couple weeks in advance and then) attended the Palatka Grace Fellowship Nar-Anon meeting as representative of our Outreach Committee. They plan to attend the new St. Augustine meeting (The Healing Hour) next month.
6. The "Prayer for the Growth of Our Fellowship" was brought to the Committee's attention. This prayer is found on Page iv of the SESH book.
